Farewell Summer - Ray Bradbury - 2013-05-21
In a summer that refuses to end, in the deceiving
warmth of earliest October, civil war has come to
Green Town, Illinois. It is the age-old conflict: the
young against the elderly, for control of the clock
that ticks their lives ever forward. The first cap-
pistol shot heard 'round the town is dead
accurate, felling an old man in his tracks,
compelling town elder and school board despot
Mr. Calvin C. Quartermain to marshal his graying
forces and declare total war on the assassin,
downy-cheeked cohorts. Doug and his cronies,
however, are most worthy adversaries who
should not be underestimated, as they plan and
execute daring campaigns—matching old
Quartermain's experience and cunning with their
youthful enthusiasm and devil-may-care
determination to hold on forever to childhood's
summer. Yet time must ultimately be the victor,
with valuable revelations for those on both sides
of the conflict. And life waits in ambush to assail
Doug Spaulding with its powerful mysteries—the
irresistible ascent of manhood, the sweet
surrender to a first kiss . . . One of the most
acclaimed and beloved of American storytellers,
Ray Bradbury has come home, revisiting the
verdant landscape of one of his most adored
works, Dandelion Wine. More than fifty years in
the making, the long-awaited sequel, Farewell
Summer, is a treasure—beautiful, poignant,
wistful, hilarious, sad, evocative, profound, and
unforgettable . . . and proof positive that the
flame of wonder still burns brightly within the
irrepressible imagination of the incomparable
Bradbury.

Edward Fasbender is a devil. He's my father's business rival, a powerful, vicious man who takes what he wants and bows to no one. I only took the meeting because I was curious. I thought he was going to offer me a job. But that's not what he's after at all. His proposal is much more intriguing, and I see an opportunity. An opportunity to turn the tables and bring down the devil. I've gotten in trouble playing these games before. I know when the risk is too great, when the stakes are too high. I know how to be cold and strong-willed and destructive. I know how to withstand dominant men with arrogant charm and rugged features. Yet I can't resist taking on Edward. And I can't resist the pull he has on me. Soon I'm not so sure which side of the battle I'm standing on—if I'm the warrior meant to slay, Or the one who will be slain. Slay: Rivalry is Book One in New York Times, Wall Street Journal, and USA Today bestselling author, Laurelin Paige, next dark and edgy series.

Can I really trust a dragon with my heart? When I show up in Black Claw with bruises on my face and a split lip, I’m not looking for another man - I’ve made enough bad choices in that department. I’m ready to lie low with my best friend and pray to god that my ex doesn't come to find me. But Axel isn’t like any of the guys I’ve been drawn to before. I’m not ready for a new relationship. I know that. But Axel sneaks inside my heart before I’ve even realized he’s there, and his touch sets my body alight with desire. But still there’s something off about him. And when I find out his secret, I’m not sure I can stand the heat. If my human ex was terrible, could a dragon be any better? He says it’s fate. Still I’m scared to risk my heart again. But when danger comes knocking, I know Axel’s the one I need to protect me. While Her Dragon Protector can definitely be read as a stand alone novel, this hot dragon shifter paranormal romance is best read as second in its series!

A Ring of Endless Light - Madeleine L'Engle - 2008-09-02
In book four of the award-winning Austin Family Chronicles young adult series from Madeleine L’Engle, author of A Wrinkle in Time, Vicky Austin experiences the difficulties and joys of growing up. "This wasn't the first time that I'd come close to death, but it was the first time I'd been involved in this part of it, this strange, terrible saying goodbye to someone you've loved." These are Vicky Austin's thoughts as she stands near Commander Rodney's grave while her grandfather, who himself is dying of cancer, recites the funeral service. Watching his condition deteriorate over that long summer is almost more than she can bear. Then, in the midst of her struggle, she finds herself the center of attention for three young men. Leo, Commander Rodney's son, turns to her as an old friend seeking comfort but longing for romance. Zachary, whose attempted suicide inadvertently caused Commander Rodney's death, sees her as the one sane and normal person who can give some meaning to his life. And Adam, a serious young student working at the nearby marine-biology station, discovers Vicky, his friend's little sister, incipient telepathic powers that can help him with his experiments in dolphin communications. Vicky finds solace and brief moments of peace in her poetry, but life goes on around her, and the strain intensifies as she confronts matters of love and of death, of dependence and of responsibility, universal concerns that we all must face. The inevitable crisis comes and Vicky must rely on openness, sensitivity, and the love of others to overcome her private grief. Once again, Madeleine L'Engle has written a story that reveals in the drama of vividly portrayed characters and events of the spiritual and moral dimensions of common human experiences.
