predict stress patterns in new words. It is aimed at teachers of English as a foreign language and helps them to communicate English stress effectively to their students. The book bridges the gap between books that are mainly anecdotal or abstract, practical or theoretical, or made up of lists or principles.

**Language Distribution Issues in Bilingual Sensing:** Rodolfo Jacobson - 1990
The chapters presented in this book examine a number of issues surrounding the distribution of languages used in bilingual teaching. They cover bilingual classrooms, classroom interaction and technological advances in teaching. Two major case studies are also included.
